## Definition

1. In respect of the Rules and Regulations set out hereinafter, the words:
  - (a) "Techpark" refers to UBI Techpark.
  - (b) "Owner" refers to the person or persons holding legal title to a unit in UBI Techpark.
  - (c) "Tenant" refers to the person or persons leasing a unit from the Owner and occupying the unit in UBI Techpark.
  - (d) "Guest" refers to a person other than the Owner/ Tenant who is on the premises at the invitation of the Owner/ Tenant.
  - (e) "Management" herein refers to the estate management team appointed by the Management Corporation or its Managing Agent.
2. The Rules may be referred to as "House Rules".
3. The Management reserves the right to change any of these rules after due notice is given to the Owners/Tenants.
4. All Owners/ Tenants shall observe and comply with the rules, which may from time to time be amended or added on by the Management.

### **Management Office**

The duties of the Management are primarily to manage and maintain the "common property" within the Techpark. Management Office at:

10 Ubi Crescent  
#02-05 Ubi Techpark  
Singapore 408564  
Tel : 67439163 / 67431375 (After Office Hour)  
Fax : 67439816  
Operating Hours : Mondays to Friday (0830hrs to 1730hrs)  
Saturdays (0830hrs to 1230hrs)  
Sundays and Public Holidays (Closed)

### **Use of lifts**

Use of passenger and fireman lift for transportation of goods is strictly prohibited. The cargo lifts are intended for the purpose of transporting of goods.

No overloading of lift is allowed.

### **Change of Mailing Address**

Owners / Tenants shall give notice in writing to the Management of any change of address so that all correspondences and invoices will be correctly delivered.

### **Change of Ownership**

Owners shall give notice in writing to the Management within ten (10) days of the completion of the sale specifying:

1. The name of the transferee in full and address in Singapore for the service of notices on the transferee and the date of delivery of the transfer; and
2. Bear a certification by the transferee or his solicitor of the accuracy of the information contained in the notice.

### **Refuse Disposal**

Owners/ Tenants are advised that loose waste should be sealed in plastic bags and disposed into the litter bins provide outside the bin centre located at first level. A refuse disposal contractor will be engaged to remove the refuse collected at the bin centre for disposal.

Owners/ Tenants shall make their own arrangements to cart away unwanted bulky items from the Techpark for disposal at dumping grounds at their own costs.

Flammable items, wet cement and other adhesive materials are not permitted to throw into the bin centre as these materials can cause damage to the bin. Offenders shall be liable for the replacement or repair cost.

Owners/ Tenants shall not disposed rubbish, strong chemical or other refuse, or permit the same to be thrown into sinks, water closets or water or soil pipes in the building as this can choke up and damaged the pipes. Offenders shall be liable for the replacement or repair cost.

### **Car Parking**

The car park is operating 24 hours. To apply for a season parking, please fill up the Application Form (download from our website), attach a copy of your vehicle log Card, NRIC and Purchase agreement or Tenancy Agreement, Employee of the company with the company letter submit to the following address:

MCST 2719  
10 Ubi Crescent  
#02-05 Ubi Techpark  
Singapore 408564  
Tel: 67439163  
Fax: 67439816

Parking areas are not to be used for recreation, storage or repair works by Owners/ Tenants.

No reservation of any parking lot is allowed except for those labeled "Handicapped" where applicable.

Handicapped parking lots are strictly to be used by the said category of drivers.

All vehicles parked in the Techpark will be at the owner's risk. The Management shall not be held liable for any theft, damage or other misdemeanour caused to the vehicles and/ or their contents.

The VPC fee payable to LTA is \$6.00 plus and administrative fee of S \$15.00 (subject to GST) per certificate or any other rate as may be prescribed from time to time regardless of the period required.

All vehicles should park at the designated parking lot to prevent causing unnecessary obstruction to the flow of traffic. A wheel-clamped fee of S\$200.00 (subject to GST) will be charged to offenders for unauthorized and illegal parking in the building. Any vehicle has been clamped will be charged at S\$15.00 per day until the vehicle owner concerned settle the wheel-clamping charges.

Lorries and containers are allowed to park at the lorry lots installed with dock leveller for loading/unloading purpose only. Lorry lots outside the Strata Terrace Units are part of the common property and shall not be reserved for Owner's/Tenant's exclusive use.

### **1. Season Parking Payment**

### **Breakdown of Essential Services**

In case of breakdowns in essential services such as electrical supply, lifts, etc., please contact The Management office at 6743 9163 or Fire Command Centre at 6743 1375. After office hours, you can contact the security for assistance at 6743 1375 (24 hrs).

For units' internal fittings and equipment such as air-conditioners, you should contact the relevant contractors directly for the defective condition of the said items.

### **Occupier's Particulars Form**

In order to facilitate contact between the Management and the Owners/ Tenants in times of emergency, please complete the occupier's particulars form attached and return them to the Management office once you moved in. If there are any other changes in future, you are advised to inform the Management office of the changes immediately.

### **Owner's/ Tenant's Maintenance Responsibilities**

The Owners / Tenants are responsible for the repair and maintenance of the interior of their unit, including all equipment, fixtures and fittings at their own costs.

### **Occupancy**

The unit shall be used only for the purpose intended for only. The occupier shall ensure that the premises are granted "Change of Use" approval by the relevant authorities where the intended use is different from the original approved use. Such approval must be obtained before any works are carried out.

Occupier who is not the Owner of a particular unit must obtain a written approval from the Owner of that particular unit to confirm that the Owner is aware of the renovation work carried out within the unit.

Owners/ Tenants must not, without the written consent from the Management, carry out any alterations or install any fittings or fixtures that deviate from the approved plans and specifications. Owners/ Tenants will be responsible for and shall pay all fines or penalties imposed by any government department for any unauthorised additions and/or alterations found within their premises.

### **Common Area**

The passages, lobbies, stairways and corridors must not be obstructed at any time, or used for any purposes other than their designated usage.

Personal property of any kind shall not be placed on or stored in the common areas.

Owners/ Tenants have to take good care of the floor tiles along the corridor, and they will liable for the repair cost should the workers deliberately, or carelessly, lower their pallets and trolleys in such manner that cracked the floor tiles.

Owners / Tenants / Contractors shall not carry out any works (including moving in/out and bulky delivery) at the common property without prior approval granted by the Management. Application form must be submitted to Management Office for endorsement prior to commencing of the works.

### **Renovation**

All Owners' / Tenants' fitting-out work must be vetted by the Management prior to submission to the relevant authorities.

Owners / Tenants shall not carry out any work which may affect the external facade of the building and its structural stability.

The endorsement of the Management does not constitute an approval of the Building Authorities. The Owners/ Tenants must bear full responsibility to ensure compliance with the building by-laws and other regulations as may be introduced and applicable from time to time.

Renovation works shall only be carried out on the days and hours as follow:

Monday – Friday : 0900hrs to 1800hrs

Saturday : 0900hrs to 1300hrs

(No work shall be carried out after office hours, including Sundays and Public Holidays, prior to obtaining approval from the management office).

Any works that generate noise such as hacking, drilling, knocking etc. are not allowed during office hours.

Owners / Tenants and their contractors must inform the Management of their work schedule at least 5 days before the works commence.

All renovation contractors must report to the security check-point prior to the work being carried out, failing which the Management reserves the right to refuse entry to any unknown person which cannot be verified there and then.

All renovation workmen must report at the security check-point to obtain identification passes and must wear their passes at all times whilst in the Techpark. Security personnel have the right to question any person in the Techpark found without an identification pass.

All renovation workmen should only use designated lifts and staircases so as not to cause inconvenience to Owners / Tenants. Packing and crating materials must be removed and disposed of by the Owners / Tenants / contractors on the same day as they are being brought in.

All Owners /Tenants are not allowed to tap water / electricity supply from the common areas for their special use unless approval is granted by the Management.

No storage space will be provided on site. All articles / materials must be stored within the Owners' / Tenants' unit.

The Owners / Tenants shall be fully responsible for the dumping of debris by their contractors and / or by their personnel. Unwanted materials, debris etc., should not be left in the corridors, lift lobbies, fire escape staircases or any other common areas of the Techpark. Otherwise, they will be removed and the cost charged to the Owners / Tenants concerned.

For the purpose of installation of pipes, Owner's / Tenant's contractors may make use of the openings provided on the wall. The openings are currently filled up with fire-stop; the contractor may break the fire-stop for the installation and shall make good with the same material when the installation is completed.

All renovation works should be confined to the boundaries of the Owner's / Tenants' unit. Hacking of structural slabs, columns and beams are strictly prohibited. Demolition of non-load bearing wall by the Owners / Tenants can only be allowed if professional Engineer confirms that such alteration will not affect the structural stability of the building.

Owners / Tenants must ensure that adequate measures are taken to protect the common property during the delivery or removal of materials by their contractors. A doormat must be provided by the contractor at the door entrance of the unit to prevent worker in that unit from dirtying the common area. The common property affected during the delivery or removal of materials must be left in a clean and tidy condition on the completion of work each day.

Owners / Tenants shall be responsible for the conduct and behavior of their appointed contractors. Any damages to the building and its equipment caused by the moving of equipment or other effects shall be replaced or repaired at the expense of the Owners/ Tenants concerned.

Applications for approval of renovation works and payment of the deposit should be made at the Management office during office hours. Applications must be submitted in prescribed form (download

from our website). All applications must be accompanied by copies of all relevant plans, designs and approvals obtain from relevant authorities in respect of the intended renovations.

No renovation works shall commence before the approval and issuance of the permit for renovation by the Management Office. This permit must be placed at the entrance of the unit for the duration of the renovation.

Not to install air-conditioning units except in areas designated in the building which were designed and built for such air-conditioning units when the buildings were originally built.

The paintwork on the external facade cannot be repainted to another colour.

## **Use of Facilities**

### **I. Meeting Room**

Only Applicant and their invited Guests are entitled to use the Chill-Out Corner. Applicant is required to be present with their Guests at all times and to ensure that their guests comply with the House Rules.

The Applicant shall be fully responsible and shall pay all necessary costs for any loss or damage to the equipment, furniture and all items in the Chill-Out Corner.

The Applicant shall keep the Management Corporation indemnified against all actions, claims, demands and losses etc. that may be brought or made against the Management Corporation by any person or persons on account of, or attributed to, the use of the Chill-Out Corner.

Food and beverages may be consumed in the Chill-Out Corner. The Applicant shall ensure the cleanliness of the Chill-Out Corner and all rubbish generated from the above consumption must be cleared after the use.

No excessive noise that will become a source of nuisance or annoyance, will be allowed.

Electricity and water are available for use in the Chill-Out Corner. However, it is subject to the condition that there shall be no overloading to the electricity supply and no wastage of water.

The Management Corporation shall not be liable for any damage to any equipment which the Applicant may bring to the Chill-Out Corner (whether or not caused by the default of the Management Corporation or its servants or agents or independent contractors).

Smoking and sleeping are not allowed in the Chill-Out Corner.

Illegal or immoral activities are strictly prohibited.

The Management Corporation shall not be responsible for any damages or loss of the Applicant's property.

The Chill-Out Corner should not be used for commercial, political, religious, gambling and/or illegal activities.

Due care must be exercised when using any equipment or furniture provided in Chill-Out Corner. They are the property of the Management Corporation and must not be shifted or removed from their original positions in the Chill-Out Corner. Care must be taken to ensure that all equipment or furniture are not damaged or subjected to undue wear and tear.

The Applicant must inform the Management Corporation of any existing damage to equipment and furniture prior to using the Chill-Out Corner, failing which they may be held responsible for such damage and be liable for any related repair or replacement costs.

The Management Corporation reserves the right and at its sole discretion to close the Chill-Out Corner for maintenance or repair as it deems necessary.

The Management Corporation or their appointed representatives may at any time check the identities of any person in the Chill-Out Corner. This is to prevent any unauthorised person from using the Chill-Out Corner.

The Management Corporation reserves the right to stop the Applicant and Guests from using the Chill-Out Corner or request the Applicant and Guests to leave the Chill-Out Corner, if they fail to abide by and comply with the House Rules or behave in a manner that is a danger to themselves or others.

The Management Corporation shall not be responsible for any damage, loss, injury or death howsoever caused to the Applicant and/or their Guests, when using the Chill-Out Corner. Applicants are reminded to exercise due care and caution in respect to their safety and well-being and that the use of the Chill-Out Corner is at their own risk.

The Management Corporation reserves the right to add new clauses or amend existing House Rules as and when necessary.
